

Thirteenth Sunday in Ordinary Time

July 2, 2006

*Whoever had much did not have more,
And whoever had little did not have less.
2 Corinthians 8:15*

THE LORD OF LIFE

At this bountiful time of year, our Sunday readings teem with life and abundance. Both the first reading, from the Book of Wisdom, and the Gospel passage from Mark assure us that God did not make death or even will us to be ill. Illness and death entered the world through the presence of evil, the Wisdom author tells us. Mark's stories of Jesus healing a hemorrhaging woman and resuscitating a dead little girl make it clear that Jesus is from God. As the Son of God he does not will that anyone suffer illness or death. In the face of such power, the second reading, from Paul's Second Letter to the Corinthians, provides a stark contrast. Jesus, who could raise the dead to new life, "though he was rich, for your sake he became poor" (2 Corinthians 8:9). Our gift of new life from Christ demands our response in charity.

EL SEÑOR DE LA VIDA

En este tiempo tan fecundo del año nuestras lecturas dominicales rebosan con vida y abundancia. Tanto la primera lectura, del Libro de la Sabiduría, como la tercera del Evangelio de San Marcos nos aseguran que Dios no creó la muerte, ni quiere que suframos de ninguna enfermedad. Fue por la envidia del diablo que la muerte entró al mundo, según nos dice el Sabio. Y lo que San Marcos nos cuenta sobre la curación de la hemorroisa y la resurrección de la hija de Jairo nos muestran claramente que Jesús viene de Dios. Como Hijo de Dios, Jesús no quiere que nadie sufra enfermedad ni muerte. Pero en el contexto de tanto poder, la segunda lectura, de la segunda carta de San Pablo a los corintios, nos presenta un fuerte contraste. Jesús, que puede levantar a los muertos a una nueva vida, "siendo rico se hizo pobre por ustedes" (2 Corintios 8:9). Así pues, la nueva vida que recibimos como regalo de Cristo exige una respuesta: nuestra caridad.

Greetings in the Lord!

We all benefit from the miracles of Jesus' life. God's generosity is not known only for giving material things, but in the giving of life itself. It is such an abundant life that Christ gives himself totally. Next week we will be called upon to help give life to others more needy than ourselves. You will learn more about the work of the Christian Foundation for Children and Aging next week.

May all of you have a good Fourth of July weekend and a safe holiday. All Masses for the week will be scheduled as usual.

May God continue to bless all of you in your journey!

In Christ,

Fr. Mike

Guardian Angel Fund

How often have you dreamed of making an impact in the life of a child? Have you heard of the "Guardian Angel" Program? As a "Guardian Angel" you have the chance to touch a child's life forever.

The "Guardian Angel" Program is a stewardship opportunity in which your donations may fund the tuition of a student of Notre Dame School who is in need of financial assistance. While education costs have soared, some family incomes have not. However, many families are still committed to providing a Catholic education for their children. Help make this happen with your donation for a full or partial scholarship. Please send your check, clearly marked, "Guardian Angel," to:

If you have any questions about the program, or how you may be able to make a difference in a deserving child's life, please contact Debbie Mossman at 257-6707.

The Notre Dame Festival is around the corner!!!

**Notre Dame School's 94th Annual Festival!!!
September 16 - 17, 2006**

It's time again to start gearing up for the annual festival! Because the cost of tuition alone does not cover the cost of educating our students, this is our major fundraiser for the school year. Each year we go a long way toward off-setting our expenses, thanks to our faithful parishioners, loving parents and the support of our community.

As most of you know, we have a very successful and exciting auction. We will be including many favorite items, such as our "Theme Baskets", which consist of new items donated from our student body. The students will also contribute in a new way as well. Our art teacher, Ms. Diana Kimberly, has graciously agreed to work with each class to create an individual work of art for our auction!

Speaking of the auction, it is a good time to begin thinking of items that you could donate.

We will be present at school registration for you to sign up to work in the booths on the festival grounds. There is so much to be done, such as cooking potatoes for the potato salad, preparing the potato salad, working in booths, serving at the barbeque dinner, baking cakes for the very popular cake walk, setting up the grounds the week of the festival, and of course the important cleaning up of the grounds on Monday following the festival.

We know that this can seem overwhelming, especially to those new to our community, but it doesn't need to be! It's a great opportunity to those unique gifts that God has given each one of us! Feel free to call us with any ideas or questions. We are having monthly meetings, the 4th Tues of each month at 5:30 in the Family Life Center. Please come join us and check it out. This can be such an amazing time of community building and fun. Come and catch up with your old friends, and make some new ones!

The Two Feet of Social Action

Indeed, the human person has been endowed with a very exalted dignity, which is rooted in the intimate bond that unites him with his creator: a reflection of God's own reality shines out in the human person, in every person, whatever the stage or condition of his life.

Benedict XVI, Address on "The Human Embryo in the Preimplantation"

Prayer for Rain

O Supreme Lord of Creation, maker of heaven and earth, of nature and seasons and all weather, we acknowledge today our powerlessness in the face of the drought upon our land, and we beg Your mercy upon us as we ask You to send forth beneficial rain from heaven to quench the parched ground and renew the fields and grasses, the trees and flowers, and all the damaged crops. We implore Your forgiveness for our many sins against Your creation and our daily failures to be good stewards of the earth. We promise to be more caring toward the resources of water, air, and soil that You have given to sustain us, and which we have fouled by our own negligent and destructive power. Lord, look upon us with mercy and send us rain. In Jesus' name. Amen.

To All Parents of Notre Dame Parish,

I pray that you have been enjoying a blessed and restful summer. We are now approaching another exciting and enlightening new school year. I am so happy to be joining the Notre Dame Catholic School family. Already you have made me feel so welcome. Many thanks to everyone.

I am pleased to announce that the 3rd and 4th grades will NOT be combined next year due to increased enrollment and thoughtful prayer. We have hired a 4th grade teacher who we will announce when we release the faculty/staff roster at the end of July.

Please feel free to contact me at any time during the summer. I will not be physically available until mid-July as we are moving to Kerrville in early July. You can email me at b.polewski@notredameschool.cc.

May God continue to bless and protect you and your family.

This moment in Kerr County time....

Not forgetting those to whom he ministered when he first came to Kerrville (Father Kemper) the industrious young priest also applied his energy to building a church and school in the Mexican section of town. With money from his father's (William Kemper) estate, as well as sizable contributions from such local residents as Captain Charles Schreiner, Louis Schreiner, Robert Real, and Dr. Sam Thompson, a \$21,000 building was constructed on six lots in the area of present-day Jefferson and Lemos Streets. The stately structure included twin belfries outlining opposing exterior stairways which provided entrance to the large second floor hall used for church services. Classrooms for the school were located on the first floor of the building which was surrounded on three sides by a large, fenced playground.
